

# Let's Talk! Athens

Greek-German Professional Programme for Publishers  
in Athens, 10 May 2022

With *Let's Talk! Athens*, our goal is to offer Greek publishers, particularly publishers located in Athens, a hands-on training as a follow-up programme to the German-speaking guest of honour participation in Thessaloniki 2021.

The programme aims to foster Greek-German dialogue in the book trade, create a platform for the exchange of ideas, and offer publishers from Greece and Germany the chance to establish sustainable partnerships.
